Dear Stan:

We are delighted that you will be available to speak before the San Diego Chamber of Commerce at a luncheon meeting on August 8. I can assure you that there will be considerable interest in your message.

Joan and I are hoping that your schedule would permit us to host a dinner in your honor the evening of August 7 or 8. We know you have a number of friends and family in the area whom we would be pleased to bring together if you would find such a function relaxing.

We will be back in touch regarding the location of the luncheon. Incidentally, we would also hope you could meet with the editorial board of The San Diego Union.

Again, we appreciate your availability for what we know will be an important presentation.

Sincerely,

Dick
